

MAISEMORE GARDENS LIMITED

News Update - February 2022

Dear Member

We never seem to have any luck. After all the changes of AGM date over the last two years we find that things are still not straightforward. Due to a change of circumstances we need to change the date of the 2022 AGM. It will now be

MGL AGM
Thursday 28th April 7.00pm at the Community Centre

We apologise to members for this change and hope that you will still be able to attend.

Afterwards there will be the usual informal drinks and nibbles and a chance to chat to the Directors.

Other Matters

Gardener. We are pleased to welcome our new gardener, Andy Pearson, who is very highly qualified and experienced. He has already pointed out that most of the lavender needs replacing. If any of you have any views about this please let us know; we could replace them with some other edging plant, like caryopteris.

Trees. You will have noticed that the alder on the green has been felled as was noted in the last newsletter. This was recommended in the 2012 Barrell report and suggested by Mike Reed, Tree Surgeon. We intend to plant a replacement tree and are getting professional advice as to an interesting replacement.

Seawall. We have had a report from Coastal Partners on an inspection of the seawall. This is available to be seen on our website. Basically, it says that the shore is visibly eroding at this point, but the sea wall is currently sound. Regular inspections are advised.

MGL Committee of Management Directors 2022
Martin Gebbett, James Leeming, Barry King-Smith, Suzy Daniels,
Sarah Harrington. John Watt, Andy Maxted (co-opted)
